

Celebrating USI's Proud History of Service, Innovation & Growth in 2024

Throughout 2024, we are proud to celebrate USI's 30th anniversary and the more than 150-year legacy of industry experience and expertise gained through our agency partnerships – some of which have been serving their local communities since the 1860s!

Since our official founding in 1994, USI has grown to become one of the nation's leading insurance brokerage and consulting firms, with more than 200 local offices connected across the country and over \$2.5 billion in revenue. We've had the privilege of serving over 500,000 businesses and individuals, leveraging our proprietary USI ONE Advantage[®] process to deliver innovative property & casualty, employee benefit, personal risk and retirement solutions to businesses and individuals, along with access to an unparalleled depth of experience and expertise across our more than 10,000 committed professionals.
